ANNOUNCEMENT: Alamosa Public Library's Online Resource -- ChiltonLibrary.com -- provides access to repair, maintenance and service information for popular vehicles

Need to know how to change your car's oil? Or how often you should change your spark plugs? Alamosa Public Library (www.alamosalibrary.org) is the place to go for quick online access to repair, maintenance and service information on the most popular cars, trucks, vans and SUVs on the road today.

With the addition of *ChiltonLibrary.com* to Alamosa Public Library's collection of online resources, experienced mechanics, do-it-yourselfers and students in the automotive trades now have a 24-hour, on-call "mechanic" to provide information on numerous automobile makes, including Ford, Chrysler, General Motors, Honda and Toyota. A valid library card and an Internet connection is all that's required to access *ChiltonLibrary.com* – Alamosa Public Library patrons can browse this powerful resource from the library or from their home (or garage!), as long as they can connect to the Internet. For more information call the library 589-6592 or go to our website at www.alamosalibrary.org (Online Resources).

Get the detailed information you need to tackle vehicle maintenance and repairs. Some of Chilton Library's more popular features include:

- Maintenance and specification tables that provide the unique data you need for each specific vehicle.
- Step-by-step service and repair procedures, and labor estimating tool to help you confidently determine your next move.
- Vacuum diagrams to simplify troubleshooting.
- Wiring diagrams to help explain system operation.
- Close-up photographs and illustrations for visual support.
- ASE test prep quizzes for the most popular certification exams
- A print button which allows you to easily print out what is needed.
