- ▶ **Tuesday, March 1, 5:30-7:30 PM, Alamosa City Hall, 300 Hunt Ave.**

The City of Alamosa is hosting two interactive public workshops to gather your input.

This is your chance to weigh in on what you think Alamosa should look like 15-20 years from now. Information collected from these meetings will be used as part of a year-long public outreach process that the City is initiating in order to shape the City's vision and funding priorities.

What do you treasure and want to preserve in Alamosa?

What concerns do you have about the future?

What changes are needed in the city?

Is the City of Alamosa focused on the right priorities?

If you cannot attend, keep up-to-date on the Comprehensive Planning process and other opportunities to provide input at www.cityofalamosa.org.
