

CITY OF ALAMOSA
NOTICE OF REQUEST FOR PROPOSALS
Marketing and Transportation of Baled Recyclable Materials

The City of Alamosa is requesting proposals from qualified firms interested in marketing and transporting baled recyclable materials from the City's Rickey Recycling Center.

The City will only entertain proposals on a profit share basis. The profit share may be tiered, based upon the market price of the various recyclable materials. The baled recyclable materials shall be hauled on a will call basis. When the City has on site at the Rickey Recycling Center twelve (12) bales of a single recyclable material the awarded firm shall transport this material within 24 hours of the City's notice. Payments of the City's share of profits from the sale of baled recyclable materials shall be made monthly. Firms will be evaluated on their ability to market (obtain the best available price) recyclable materials generated in the San Luis Valley and transport these materials as generated from the Rickey Recycling Center (no long term storage of perishable materials at the Rickey Center).

The following is the summary of baled recyclable materials generated at the Rickey Recycling Center during the past three years.

Material type	2015	2016	2017
---------------	------	------	------

Material type	2015	2016	2017
Cardboard	420	317	558
Newspapers/Magazines	165	89	183
White Paper	33	27	37
Steel cans	26	24	61
Clear Plastic #1	63	54	81
Natural Plastic #2	12	12	13
Colored Plastic #2	18	36	27
Aluminum	7	40	34

All responders are required to attend a pre-proposal meeting at 10:00 AM on April 17, 2018, at the Rickey Recycling Center located at 1130 Old Airport Rd., Alamosa, CO 81101.

The City of Alamosa will receive proposals in the office of the Public Works Department, 300 Hunt Avenue, Alamosa, Colorado 81101. Attn: Mr. Mark Wright, Public Works Director, up to the hour of 2:00 PM, on the April 24, 2018.
