

Public Notice:

On June 6 and June 7, 2018, staff from the John Wood Group, PLC working for the City will begin an inspection of the Rio Grande River levee system. This activity may include entering parcels or crossing open areas to access the levee. This work will be performed on foot and by motorized side by side vehicles (gators).

Please contact Mark Wright at the Public Works Department if you have any questions. (719) 589-6631
