

**PSA**

## **Youth Fishing Day**

**Presented by Colorado Parks and Wildlife and Alamosa Parks and Recreation**

**Thursday, June 14 9am – 12pm**

**Blanca Vista Park, Alamosa**

Colorado Parks and Wildlife (CPW) and The City of Alamosa Parks and Recreation Department would like to invite all area children 15 and younger out for a fun day of fishing at the Blanca Vista Ponds on Thursday, June 14. The ponds have recently been stocked by CPW and staff from both organizations will be on-site from 9am – 12pm. The instructional portion will begin at 9am sharp. CPW will provide loaner rods and fishing tackle; Parks and Rec will grill hot dogs for lunch. A parent/guardian will need to accompany any children under seven. There is no charge to participate though a release of liability waiver must be signed by a parent/guardian on-site before participation. If your kids have never fished before; this is the perfect opportunity to give it a try with tips from the CPW professionals.

For more information call the Alamosa Family Rec Center at 589-2105 or go to [www.alamosarec.org](http://www.alamosarec.org).
