***CITY OF ALAMOSA CELEBRATES COLORADO CITIES & TOWNS WEEK,
SEPT. 10-16, 2018***

The City of Alamosa will be participating in Colorado Cities & Towns Week, September 10-16, which highlights and celebrates the value of municipal government and acknowledges the employees and volunteers who make our community a great place to live, work, and play. Municipal government is the level of government closest to most citizens, and the one with the most direct daily impact upon residents. Through Colorado Cities & Towns Week, municipalities from across the state will participate in activities to showcase and celebrate cities and towns and the many services they provide.

We look forward to connecting with citizens and youth and celebrating the services that the City provides.

Public events planned for the week include Fire Safety Lunch and Learn on September 13th at noon at the Fire Department, 425 East 4th Street and Story Time highlighting City Services on September 14th at 10:00 am for infants/toddlers and 10:45 am for preschool-aged children at the Alamosa Public Library, 300 Hunt Avenue.

Colorado Cities & Towns Week is sponsored by the Colorado Municipal League (CML), a nonprofit, nonpartisan organization established in 1923 and represents the interests of 270 cities and towns
