

For Immediate Release

September 17, 2018

Street Closures for Sewer Infrastructure Project

The following areas will be closed to traffic from September 17-21 for replacement of the sewer infrastructure. The intersection of 12th Street and La Due Avenue, La Due Avenue from 11th to 13th Street, and 12th Street from Hunt Avenue to East Avenue. Residents will still be able to access their homes but they will not have the ability to travel through closed areas.

Residents should anticipate heavy construction activity in this area along with elevated noise levels. Pumps and motors will be operating 24-7 (day and night, including weekends).

Please use alternate routes if you will be driving in this area. Any questions should be directed to the Public Works office at 719-589-6631. Thank you for your patience.

Intersection closure area on 12th and La Due Ave.

September 17th thru September 21st.
