New Early Release Hands On History STEM Program

Alamosa Public Library and Fort Garland Museum have teamed up to bring you a new program on Alamosa Elementary early release Wednesdays. Join us every other Wednesday for our Hands on History program, “The Time Traveler’s Passport.”

Starting September 5th, 2018 from 1:00 to 3:00 pm. there will be a program for every early release Wednesday through December at the Alamosa Public Library. Each session, we will travel through time and learn about a different ancient civilization through engaging STEM-based activities. This is a free program to all Alamosa Elementary students. Follow the Fort Garland Museum Facebook page for each week’s topic and activities.
