Alamosa Trails Showcase and Ribbon Cutting

The City of Alamosa will be unveiling 4 miles of new single track trail built this past year on the Alamosa City Ranch. A trail “showcase” and ribbon cutting will take place on Monday, October 29th at the North Pavilion. At 4 pm, join City Councilors on a bike ride on the new trails. Bring your own mountain bike and helmet. At 5 pm, a ribbon cutting ceremony will take place. The North Pavilion can be accessed by car by taking North River Road North just beyond the Alamosa Disc Golf Course road. The City of Alamosa would like to thank Great Outdoor Colorado, the Southwest Conservation Corps, San Luis Valley Great Outdoors and all other partners who helped make the new trails possible. Maps of the City Trails can be found at alamosarec.org. Call 719-937-9025 for more information.
