

INVITATION FOR PROPOSALS

The City Of Alamosa, Colorado, is requesting proposals until April 26, 2019 at 5:00 p.m. MDT at the Alamosa Public Works Department for the project entitled "Washington Addition Streets Reconstruction Project Preliminary and Final Engineering Services"

This project is briefly described as follows:

The City of Alamosa seeks engineering design for the Washington Addition Streets Reconstruction Project. The project will include the development of a base map of the project area with accurate elevation data, rights of way, and utility easement information. The successful firm will design the cross section and profile of the streets in the Washington Addition as defined below. Additionally, the project will further include the design of a regional drainage system. All City utility systems within the Washington Addition Streets Reconstruction Project will be evaluated to determine their condition, capacity, and remaining useful life.

All proposals must be submitted, and all work done in full compliance with:

- Submission requirements as outlined in the project's request for proposal
- The 2012 City of Alamosa Standard Construction Specifications, as amended

Envelopes containing the project proposal shall be addressed as follows:

Harry Reynolds
Interim Public Works Director
Department of Public Works
City of Alamosa
Post Office Box 419
Alamosa, Colorado 81101

Bids may be hand-delivered to Public Works Department, 300 Hunt Avenue. The bid must be placed in one envelope, securely sealed, and clearly labeled "Washington Addition Engineering Project," in addition to the bidder name

and address on the outside of the envelope. Only those bids received by the Public Works Department on or before April 26, 2019 5:00 p.m. MDT will be eligible for consideration.

The successful bidder will be required to begin the work outlined herein and depicted on the project plans no sooner than 30 days from receipt of notice to proceed, and to complete the work in accordance to the approved timeline as detailed by the successful firm's proposal.

The City Of Alamosa reserves the right to reject any and all bids and to waive informalities in bids submitted and to accept whichever bid that is in the best interest of the City, at its sole discretion.

Any and all Questions shall be submitted in writing prior to close of business on April 12, 2019 by electronic mail to HReynolds@ci.alamosa.co.us. Questions and responses will be posted on the city web site as soon as possible thereafter. A Copy of the Request for Proposals is available on the City's website at www.cityofalamosa.org.
