2022 Concrete Replacement Program

Alamosa, CO- The City of Alamosa Public Works Department will be accepting applications for the 2022 Concrete Replacement Program through May 6, 2022. The program is intended to assist home and business owners within the City of Alamosa in replacing curb, gutter and sidewalk in order to improve pedestrian safety and correct drainage problems.

This is a cost shared program in which the City and the property owner share the cost of the contractor 50-50. Old concrete will be removed by the City at no cost to the property owners.

The amount of City funds available for this program is limited. Requests will be honored on a first come, first served basis.

To participate in this program go to www.cityofalamosa.org and click on the Public Works Department tab and on the right side, click "Concrete Replacement Program". Fill out the form and return it to the Public Works Office, 300 Hunt Avenue, or by emailing the filled out form to mvanry@ci.alamosa.co.us. Please call 719-589-6631 if you have questions.

The City will provide the property owner with an estimate of the work to be done by May 20, 2022. If the property owner accepts the estimate they must sign and return the agreement and a deposit equal to 50% of the owner's total cost within seven days of receipt of such agreement. All work will be completed prior to September 30, 2022. Final payments are due within 30 days of receipt of the bill.
