***Short-Term Rental Work Session Wednesday, February 9, 2022***

Alamosa, CO - The City of Alamosa is conducting a follow up work session to continue discussing the impacts of short-term rental (STR) units and potential regulations. This second work session is a follow up to the regulations proposed by staff in November 2021 that resulted in the current moratorium on new STR licenses.

The work session will be held in the Council Chambers at Alamosa City Hall at 6:00 p.m. on Wednesday, February 9, 2022. The format will include a presentation from staff, City Council discussion, public comment, and a discussion of regulatory options.

The City highly encourages anyone who has an opinion on this topic to attend the meeting so that Council can hear directly from residents when providing future direction to staff on this topic.
