Mass Rezoning Public Workshop

Alamosa, CO –The City of Alamosa is hosting a public workshop on Tuesday, March 15, 2022 at 6:00 p.m. at City Hall located at 300 Hunt Avenue to kick off our mass rezoning process.

Maps will be on display and staff will be available to walk through proposed zoning changes, describe how they compare with current zoning, and explain what the changes will mean for residents and property owners in the City of Alamosa.

Most proposed zoning changes fix errors in the zoning map or help property owners comply with current zoning regulations. A small number of properties are proposed to be changed in order to help Alamosa achieve some of the goals identified in the City's long-range plans, such as the Downtown Design plan and the Housing Action plan.

A map book of the proposed zoning changes is online at:
