RE: Letter of Support for the Recall Election of Alonzo Payne, District Attorney, 12th Judicial District

Heather,

Please consider this as our letter of support for the recall election of Alonzo Payne, District Attorney, 12th Judicial District. Elected officials have the charge of their constituents to act in the best interests of those constituents. When that trust is neglected, the result is a total erosion of the system enacted to protect and serve our community as a whole.

The South Fork Board of Trustees is proud to stand with our fellow communities to hold District Attorney Payne responsible for his mandated duties. We support efforts for the recall election of the District Attorney. We encourage our community members who are registered to vote, to educate themselves concerning the facts of this issue and use their conscious when asked to sign a petition for the recall of Alonzo Payne.

Most Respectfully,

Tyler Schmidt, Mayor

Jesse Entz, Trustee

Hank Weber, Town Manager

Sarah Sparrow, Mayor Pro-tem

Rick Morgan, Trustee

Michele Cruse, Trustee

Trisha Taylor, Trustee Select
