National Night Out and City Services Fair

Alamosa, CO – The City of Alamosa would like to invite the public to Cole Park on Tuesday, August 2nd from 2:00 to 7:30 PM to celebrate National Night Out and the City Services Fair.

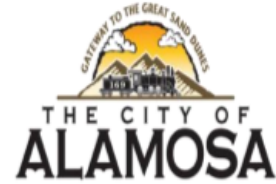

National Night Out (NNO) is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out hopes to enhance the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances. Millions of neighbors take part in National Night Out across thousands of communities.

City Services Fair will join the NNO to multiply the fun. The City Services Fair is a chance for the community to get to know the various services available through the City, the people behind the organization, and the assorted tools and technology used to “get the job done”. Featured exhibits include a variety of equipment from the Alamosa Fire, Police, Public Works, and Parks departments. Current program and service information will also be available from the Parks, Recreation, Library, and other City Departments.

This year there will be a K9 Run, Wag, Walk Fun Run so bring your dogs along! (*All dogs must be on a leash!*)

If you would like to set up a company booth or participate in the event, please get in touch with Captain Sam Maestas for more information at 719-589-2548 or email at smaestas@ci.alamosa.co.us.
